The JKIS Times

SEPTEMBER 2026 EDITION

**Learning. Celebration.
Achievement.**

Ganesh Chaturthi, Janmashtami, Teachers' Day, PTM, Term I reflections and student laurels.

LEARNING WITH PURPOSE. LEADING WITH HEART.

EDITOR'S MESSAGE BY ATA UR RAHMAN

From the Chief Editor's Desk

Dear Readers,

Welcome to the September 2026 edition of The JKIS Times.

September at JKIS has been a month of learning, celebration, reflection, and achievement. From the vibrant spirit of Janmashtami and the festive warmth of Ganesh Chaturthi to the heartfelt celebrations of Teachers' Day, the month brought our school community together in many memorable ways.

Our Parent-Teacher Meeting provided a valuable opportunity for meaningful interaction between parents and teachers, strengthening the partnership that plays an important role in every child's educational journey. At the same time, the Term I examinations offered our students an opportunity to reflect their preparation, perseverance, and learning.

The month also brought moments of pride through our students' achievements in sports, reminding us that education extends far beyond academics. Discipline, teamwork, determination, and the courage to strive for excellence are equally important lessons learned on the field.

What makes these moments truly special is the collective effort behind them—the enthusiasm of our students, the commitment of our teachers, the encouragement of our parents, and the support of our school management.

As you turn the pages of this edition, I invite you to relive these moments, celebrate the achievements, and appreciate the many different ways in which our students continue to learn, grow, and shine.

Let us continue to build a community where every young mind is empowered to think boldly, learn wholeheartedly, and lead compassionately.

Happy Reading!

Ata ur Rahman

K. G. MINI KURUP · PRINCIPAL

Principal Speaks

It gives me immense pleasure to welcome you to another edition of our school newsletter.

At Jet Kids International School, Pusad, we believe that the true purpose of education is not merely to impart knowledge, but to equip students with the ability to understand, apply, and share what they learn. Education should create confident, thoughtful, and responsible individuals who are prepared to face the world with knowledge, values, and a positive attitude.

We strive to create an environment where young minds are encouraged to think critically, explore their potential, develop problem-solving abilities, and apply their learning meaningfully. Our dedicated and highly skilled faculty work tirelessly to provide quality education while nurturing in students a keen sense of curiosity, respect, responsibility, and empathy towards themselves and the society around them.

Learning becomes meaningful when students are actively involved in the process. Therefore, we encourage the use of varied visual and comprehensive learning approaches that help students understand and retain concepts effectively. Alongside academics, we provide opportunities to participate in sports, cultural activities, debates, creative

pursuits, performing arts, and other co-curricular activities, as we believe that holistic development shapes not only the minds but also the personalities of our students.

The achievements and participation of our students continue to inspire us. Every accomplishment, whether big or small, reflects their dedication and perseverance, supported by the constant guidance of our teachers and the encouragement of our parents.

As we move forward, let us continue to nurture children who are curious, resilient, respectful, compassionate, and confident. Our collective effort is to ensure that when our students step beyond the gates of Jet Kids International School, they carry with them not only knowledge and skills, but also the values and confidence needed to make a meaningful contribution to society.

I extend my heartfelt appreciation to our dedicated teachers, supportive parents, and enthusiastic students for their valuable contribution to our school community.

Let us continue to learn, grow, and achieve together.

K. G. Mini Kurup
Principal
Jet Kids International School,
Pusad

A CELEBRATION OF CHILDHOOD

Little Krishna, Joyful Hearts

Janmashtami at JKIS brought devotion, colour and imagination together as our youngest learners stepped into the stories of Krishna with confidence and delight.

FAITH · RHYTHM · COMMUNITY

Ganesh Utsav at JKIS

The September celebration carried the warmth of devotion, music and togetherness. The Ganesh idol becomes the centre of this spread, allowing the moment to feel ceremonial, calm and premium.

Celebration becomes meaningful when students experience culture with discipline, joy and shared responsibility.

A shared journey of devotion

Community in rhythm

Togetherness in every step

FESTIVAL IN MOTION

Colour, Joy and Togetherness

The celebration moved through music, colour and shared energy, capturing students and staff in moments of devotion, rhythm and community.

TEACHERS' DAY

Respect, Gratitude and Celebration

Teachers' Day at JKIS became a warm celebration of respect, gratitude and togetherness. Students expressed their appreciation through joyful moments, group participation and memories shared across the campus.

PARTNERSHIP IN PROGRESS

Meaningful Conversations

The Parent-Teacher Meeting created space for thoughtful dialogue between home and school, helping every child receive stronger guidance, encouragement and support.

Parents and teachers working together for every learner.

MAHAKAVI KALIDAS SANSKRIT SADHANA AWARD

A Proud Achievement for Pusad

Dr. Madhuri Chandrakant Kalkote of Pusad has been selected for the prestigious Mahakavi Kalidas Sanskrit Sadhana Award for 2022 in the category of Sanskrit Professors and Equivalent Teachers.

Presented by the Government of Maharashtra, the honour recognises her distinguished contribution to Sanskrit language and education. The award includes a cash prize of ₹25,000, a shawl, coconut and certificate of appreciation.

JKIS joins the entire Pusad community in congratulating Dr. Kalkote on this remarkable state-level recognition.

Recognition of distinguished service to Sanskrit language and literature.

BEYOND THE MAT

One School. Many Arenas.

The discipline that powers our wrestlers is shared across every JKIS team: focused training, mutual encouragement and the confidence to compete.

Wings at Jet Kids International School

By Namrata Bompinlwar
Class VIII Emerald

At Jet Kids International School,
mornings don't just begin; they take off.
The bell is a runway,
and we are learning to fly.

These corridors teach more than formulas and dates;
they teach how to question, how to fall, how to rise.
In every classroom, ideas cross borders,
because here, we're taught to think beyond them.

Teachers at school don't just give answers;
they give us compasses
so that when the world gets loud,
we still know our direction.

On the ground, we play, we compete,
we fail, we try again.
In our minds, we build—projects, dreams,
versions of ourselves.

Friendship here isn't just fun.
It's people who push you to be better
and stay anyway.
Jet Kids International School
isn't just walls and a name.

It's discipline with dreams.
It's roots and wings in the same breath.
One day, we'll leave these gates,
but we'll carry this place in how we speak,
how we work, and how high
we're willing to go.
Because once you learn to fly here,
you never really stop.

My India

By Anushka Amol Fuke
Class: VI – Ruby

My India is brave and bright,
A land of wisdom, truth and light.
From the snowy peaks to oceans blue,
Its beauty shines in every view.

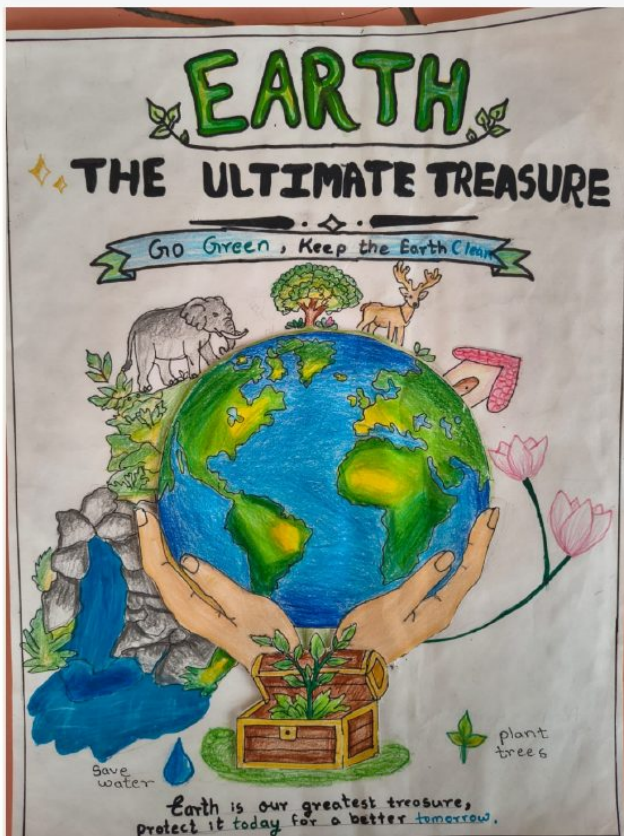

Many languages, one strong heart,
Together we play our special part.
With courage, love, and unity,
We build a bright tomorrow, free.

I will learn and I will care,
With honesty in all I share.
Proudly I say for all to hear,
"My India is always dear!"

Imagination on Paper

Student artwork adds a quiet and thoughtful visual pause to the newsletter, celebrating observation, patience and individual imagination.

आत्मविश्वास

— राजश्री मोरे
(प्राथमिक शिक्षिका)

आत्मविश्वास असावा स्वतःवरती,
विश्वास ठेवावा आपल्या शक्तीवरती।

कुणाच्या शब्दांनी तो कधी कमी होऊ नये,
आपलं आकाश दुसऱ्यांच्या मापाने मोजू नये।

स्वतःची कुवत स्वतः जाणावी,
आपल्या क्षमतेची जाणीव मनात ठेवावी।

प्रत्येक गोष्टीचे स्पष्टीकरण देत बसू नये,
स्वतःच्या अस्तित्वाला कुणापुढे सिद्ध करू नये।

विद्यार्थ्यांना आत्मविश्वास भरभरून द्यावा,
त्यांच्या स्वप्नांना उंच भरारीचा मार्ग दाखवावा।

ज्ञान देताना मनात हेवा नसावा,
दुसऱ्यांच्या यशातही आनंद असावा।

कारण खरा आत्मविश्वास तोच असतो,
जो स्वतः उभा राहून दुसऱ्यालाही उभं करतो।

Beyond Books, Beyond Marks

(By Rashmi Shukla
A Primary Teacher)

The true purpose of education is not just about marks or books, but about the kind of person it helps us become.

As teachers, our responsibility is not only to teach children what to think, but also to teach them how to think. In today's fast-changing world, academic knowledge is important, but kindness, confidence, curiosity, discipline, and critical thinking are equally vital.

True education is not about creating children who know everything—it is about nurturing children who are ready to learn, ready to question, and ready to make a difference.

Thank you

“Education is not just about filling minds; it is about shaping minds.”

PARENTS' CORNER

The Importance of Communication between Parents and Children

Communication is one of the strongest foundations of a healthy relationship between parents and children. As parents, we often focus on our children's studies, health and future, but sometimes forget that they also need someone who will simply listen to them.

Open communication creates a safe space where children can share their thoughts, feelings, worries and experiences without fear of being judged. When parents listen patiently instead of immediately giving advice or criticism, children feel understood and valued. This helps build trust and makes it easier for them to approach their parents when they face difficulties.

In today's busy world, even a few minutes of meaningful conversation can make a difference. Talking during meals, going for a walk together or simply asking about their day can strengthen the bond between parents and children. Communication should not only happen when there is a problem; everyday conversations are equally important.

As parents, we should remember that communication is a two-way process. We must encourage our children to speak, but we must also be willing to listen. Every child may express themselves differently, and understanding their perspective can help us guide them better.

"A listening parent can make a child feel safe, loved and never alone."
